## PUBLIC NOTICE

The Richland County Commissioners and the Richland County Engineer intend to contract for professional engineering services for the Cook Road/Mansfield-Lucas Intersection Safety Improvement RIC-CR134-5.80. Services will include preparation of necessary environmental documentation, public involvement, final construction contract plans, right of way plans and acquisition services, and utility coordination.

The Richland County Engineer will select a professional engineering firm based upon a consultant selection process. The selection process will conform to procedures required by ODOT's Manual of Procedures for Locally Administered Transportation Projects and FHWA's requirements for procurement of engineering and design related services.

Specific details associated with the submittal requirements are found in the Programmatic Selection Process Announcement. A copy of the Programmatic Announcement may be obtained at The Richland County Engineer's Office or downloaded from the Engineer's Website: <http://www.rcengineer.com/Bids.htm>. A copy can also be downloaded from ODOT's Website under the heading "Local Government Project Notifications, Consultant Requests for Letters of Interest" on the Consultant Services page of ODOT's Website: <http://www.dot.state.oh.us/divisions/Engineering/consultant/Pages/default.aspx>.

Interested professional engineering firms should submit a Letter of Interest to the following official:

Adam M. Gove, P.E., P.S.  
Richland County Engineer  
77 North Mulberry Street  
Mansfield, Ohio 44902

The Letters of Interest are due on or before Monday August 6th, 2018 @ 4:00 pm.

Letters of Interest received after this date will not be considered by the county.
